Professional Summary

Looking for a challenging role in a reputed company to utilize my engineering skills that can contribute to the company's growth as well as enhance my knowledge by exploring new thing

Education

2018-
2022-

Bachelor of Science: B.E: Computer Engineering

Bhagwan Mahavir College of Engineering & Technology - Surat, GJ

CGPA: 8.68

Projects

Ad-Blocker - In this project, We have made a ad-blocking extension to block your all ads in browser Akdis Ad-blocker) - Akdis ad-blocker blocks ads and protects your privacy (**Code Language - Js**)

You Tube Ad-Skipper - In this project, I made a you tube 5sec ad-skipping extension which click automatic on the skip button - YouTube Ad-Skipper (skip ad's very fast) (**Code Language - Js**)

Picture in Picture Extension - In this project, I made a extension which create a floating window of any video playing on you tube. This Window stick on the desktop Even if the browser was minimize the video will still be playing until the browser or tab was not close.
